## **Privacy Policy**

Caldwell Parish Church takes your privacy seriously. Please read the following to learn more about our privacy policy.

This privacy policy covers the Caldwell Parish Church's treatment of personal information that the Caldwell Parish Church collects when you visit the Caldwell Parish Church website. Caldwell Parish Church collects personal information when you register for updates or submit forms on the Caldwell Parish Church website.

The information requested on registering with the Caldwell Parish Church will be your name and email address. Additional information such as age and address may be requested, if necessary.

Caldwell Parish Church uses the information collected to keep you updated on website developments, to advertise new products and services, to fulfil your request for certain products and for customer feedback. Caldwell Parish Church will not sell or rent your personal information to anyone.

The Caldwell Parish Church will respond to any Court Order or legitimate request by authorities for personal information, with which they must comply or in connection with any legal process.

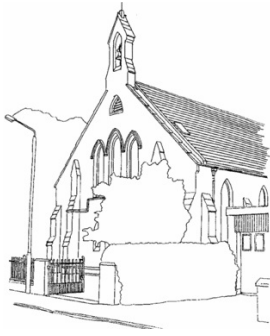

You may request amendment or deletion of your details at any time by contacting us, clearly stating your name, address and email identifier.

We limit access to personal information about you to employees who we believe reasonably need to come into contact with that information to provide products or services to you or in order to do their job.

The Caldwell Parish Church may amend this policy from time to time. If we make any substantial changes in the way we use your personal information we will notify you by posting a prominent announcement on our pages.

### **Cookies - What are cookies?**

A cookie is a small text file placed on your computer by a website, which typically contains two pieces of information: the site's name and a unique ID. There are many uses for cookies, such as website authentication (logging into a website), website analytics (number of site visitors, browser types etc.), storing site preferences, saving items to a shopping cart or anything else that can be accomplished through storing text data.
